ABOUT THIS DOCUMENT

This illustration is part of the **Toolkit for Ethical Data Governance in Agriculture**. It summarizes the findings from a research project led by Dr. Sarah-Louise Ruder and Dr. Hannah Wittman at the University of British Columbia (UBC) and Shauna MacKinnon from BC Agricultural Climate Action Research Network (ACARN).

The Toolkit includes a short, narrated **video** to walk through the illustration and provide examples. The illustration and video are available in French. You might also like the **Glossary** and the **Discussion Guide**.
